*Comprehensive Behavioral Healthcare is licensed by the New Jersey Department of Mental Health Services and the Division of Addiction Services. We are a participating Medicaid and Medicare provider, as well as a participating provider for Magellan and most major insurance and managed care companies. Our fee counselors specialize in assisting consumers without coverage or other financial resources to use the state subsidies from our grants to find an affordable fee for all services. **Since 1969, no one has ever been denied CBHCare services because they could not afford them.***
